## **PICK & MIX ANY OF THE FOLLOWING OPTIONS FROM OUR MENU OF FUN!**

**Audience Olympiad:** The audience is divided into 2-4 teams that compete to win physical, mental, and teamwork events, not to mention prizes and bragging rights!

**Comedy Show:** Our professional comedians sculpt a hilarious comedy show based on suggestions from the audience, and can even incorporate your students into the show!

**Game Show:** Loosely based on popular television game shows like the *Family Feud*, *Match Game*, *Minute to Win It*, *Password*, and more, your group becomes contestants and audience in a one-of-a-kind interactive experience! There are also playoff versions to incorporate more of the group in the games.

**Improv Workshop:** Your teens will learn the basics of how to do improv comedy by participating in improv games that bring fun right along with the learning. They might give advice as a guest expert, come up with an ad campaign for a bizarre new product, or become a brand new star of the stage!

**Murder Mystery:** Using either your students as the suspects or our team of professionals, we'll deputize your whole crowd, calling upon them to uncover evidence, conduct interrogations, and find the murderer, all under the watchful eye of our hilarious lead investigator.

**Scavenger Hunt:** We'll develop a hunt specialized to your group, combining problem solving, physical challenges and teamwork in an epic quest to gather bits of information from all over your venue. Additional elements can be added to convert it into more of an *Amazing Race*.

**Trivia Challenge:** Showing off your knowledge has never been more fun. We'll split the audience into teams working together to achieve trivia stardom. Or choose a more traditional contest loosely based on *Who Wants to Be A Millionaire* or *Jeopardy!*

Whether you have the same show running several times during the evening or you have a changing menu of options all night, **THEY improv** is your quickest way to creating an experience for your group sure to exceed your expectations!
